ORR regrets that certain aspects of this study,
which was prepared in 1955, are to some extent outdated.
In particular it does not consider trends which became
apparent in the events surrounding the 20th Party Con-
gress. We believe, however, that much of the basic
work is still valid and useful.

3. These reports have been prepared in accordance with CIA Regu-
lations No. 120-512 and 120-621. All ORR responsibilities as defined in
the DDI memorandum of 13 August 1952, "Procedures for Dissemination
of Finished Intelligence to Foreign Governments," as applicable to these
reports, have been fulfilled.
